SITUATION SUMMARY

Public health and medical (EF-8) Situation Report

Ebola Virus Disease, 2014

Date of report: October 14, 2014

Operational period: October 13 - October 17, 2014

There are currently no suspected or confirmed cases of Ebola in California. A patient in Los Angeles County was confirmed negative for Ebola Virus Disease (EVD), on October 9, and is being monitored until October 30 as a precaution. At present, the weekly situational assessment for the risk of Ebola infection in California is very low.

The outbreak of EVD in the West African nations of Guinea, Sierra Leone, and Liberia continues to expand but does not pose a significant risk to the United States. As of October 10, the World Health Organization has reported a cumulative total of 8399 suspect, probable, and confirmed cases and 4033 deaths. Based on the current situation in West Africa, the Centers for Disease Control and Prevention (CDC) consider the risk of importation of multiple cases of EVD into the United States to be very low. However, the outbreak is evolving, and this assessment may change.

A patient with confirmed EVD, diagnosed on September 30, 2014, in Dallas, Texas died on October 8, 2014. This was the first travel-related case detected outside of West Africa's outbreak region. One of the nurses that cared for the patient was diagnosed with EVD in Dallas, Texas on October 12, 2014 and is being treated.

The CDC, California Department of Public Health (CDPH), and Emergency Medical Services Authority (EMSA) continue to prepare for the potentiality that a traveler returning to California from West Africa may be infected with Ebola virus. These persons may develop illnesses and require medical evaluation. CDPH and local health jurisdictions are monitoring the situation closely and taking steps to keep the public safe. CDPH continues to direct healthcare providers to follow protocols established by the CDC about how to detect and isolate patients who may have Ebola and how they can protect themselves from infection.

CDPH continues to work with the healthcare community and local health jurisdictions to identify potential suspect cases and avoid spread of the disease. New guidelines and updated guidelines released by CDC are posted on the CDPH Communicable Diseases Emergency Response (CDER) website available at: (<http://cdph.ca.gov/programs/cder/Pages/Ebola.aspx>). Likewise, EMSA has developed guidelines for Emergency Medical Services (EMS) personnel based on the recommendations of CDC. The guidelines have been distributed to Local Emergency Management Services Agency (LEMSA) Administrators, LEMSAs Medical Directors and the Regional Disaster Medical Health Coordination (RDMHC) Program. Revisions will be made as necessary. The document is posted on EMSA's website at http://www.emsa.ca.gov/ebola_control.

The full CDPH/EMSA Situation Report is attached.

SITUATION SUMMARY

NORTHERN CALIFORNIA FIRES

Happy Camp Complex, Vegetation Fire, Siskiyou County

Happy Camp District, Klamath National Forest

FRA

Per Cal Fire, Cal OES Duty Officers, and ICS-209 as of 10/14/14 at 1801 hours:

- 134,056 acres, 97% contained
- Type 3 IC
- Expected Containment: 10/31/14
- Damaged Structures: 2 Other Minor Structures
- Destroyed Structures: 2 Single Residences, 4 Other Minor Structures

Applegate Incident, Vegetation Fire, Placer County (FINAL)

Eastbound Interstate 80 at Applegate, Placer County

SRA

Per CAL FIRE, Cal OES Duty Officers as of 10/15/14 at 0848 hours:

- 459 acres, 100% contained
- Threatened Structures: 0 Single Residences
- Destroyed Structures: 6 Single Residences, 4 Other Minor Structures
- A Fire Management Assistance Grant (FMAG) was approved. FEMA Declaration Number FM-5082.

Evacuations

- All Mandatory Evacuation Orders have been lifted.
- All Evacuation Warnings have been lifted.

Cal OES Deployments

- Two (2) PSC Technicians demobilized yesterday 10-14-14.

Mission Tasking

- 2014-INLAND-7081 (Nevada County) – One (1) air monitor supplied by California Air Resources Board. On-scene.

SITUATION SUMMARY

NORTHERN CALIFORNIA SIGNIFICANT ACTIVITY

Communications Outage, Tuolumne County (New/FINAL)

At 1752 hours on 10/14, the California State Warning Center (CSWC) was made aware that communications, to include the California Warning System (CALWAS), with Tuolumne County and City of Sonora Police Department Public Safety Answering Point (PSAP) experienced a 9-1-1 and long distance call failure due to an apparent vandalism of fiber optic cables. Approximately 2,200 landline users were impacted by this incident. Due to the interruption in service, Tuolumne County was rerouted to Calaveras County which were then relayed via OASIS satellite communications. AT&T construction crews were on scene and performing repairs.

At 0048 hours on 10/15, Tuolumne County Sheriff's Communications Center stated that all E911 services have been restored, they had tested with Frontier Communications users in the town of Tuolumne and circuits appear to be restored. The CSWC performed a successful CALWAS test.

Cal EOC Incident – 2014 Drought

- SOC / Inland REOC remains activated in support of 2014 Drought

WEATHER

WEATHER SYNOPSIS BY REGION:

NORTHERN CALIFORNIA AND CENTRAL COASTAL AREAS:

Eureka Weather:

A front will move across northwest California today bringing wet and cooler weather through Wednesday. This will be followed by a brief break on Thursday with more rain possible Friday and Saturday.

San Francisco Weather:

Periods of unsettled weather and cooler than average temperatures will continue through early next week as a series of weak storm systems move into Northern California. Rainfall amounts will remain light, resulting in little relief from ongoing drought conditions.

CENTRAL CALIFORNIA AND SOUTHERN SAN JOAQUIN VALLEY

Sacramento Weather:

A low pressure system in the Gulf of Alaska will pivot several weather systems through Northern California over the next week. None will be big precipitation producers with the best chances of rain or snow over the mountains and northern Sacramento valley. The weather systems are forecast to move through this morning, late Friday and Monday with drying in between. Daytime highs will be near or below normal over the next week.

Hanford Weather:

In the wake of a cold frontal passage, a cool southwest flow will remain over Central California through Friday. Another frontal system will pass to the north of Central California this weekend. Temperatures will average near normal with dry weather.

WEATHER

WEATHER SYNOPSIS BY REGION:

SOUTHERN CALIFORNIA:

Los Angeles Weather:

A night through morning low clouds and fog weather pattern will persist through the weekend with slightly below normal afternoon temperatures.

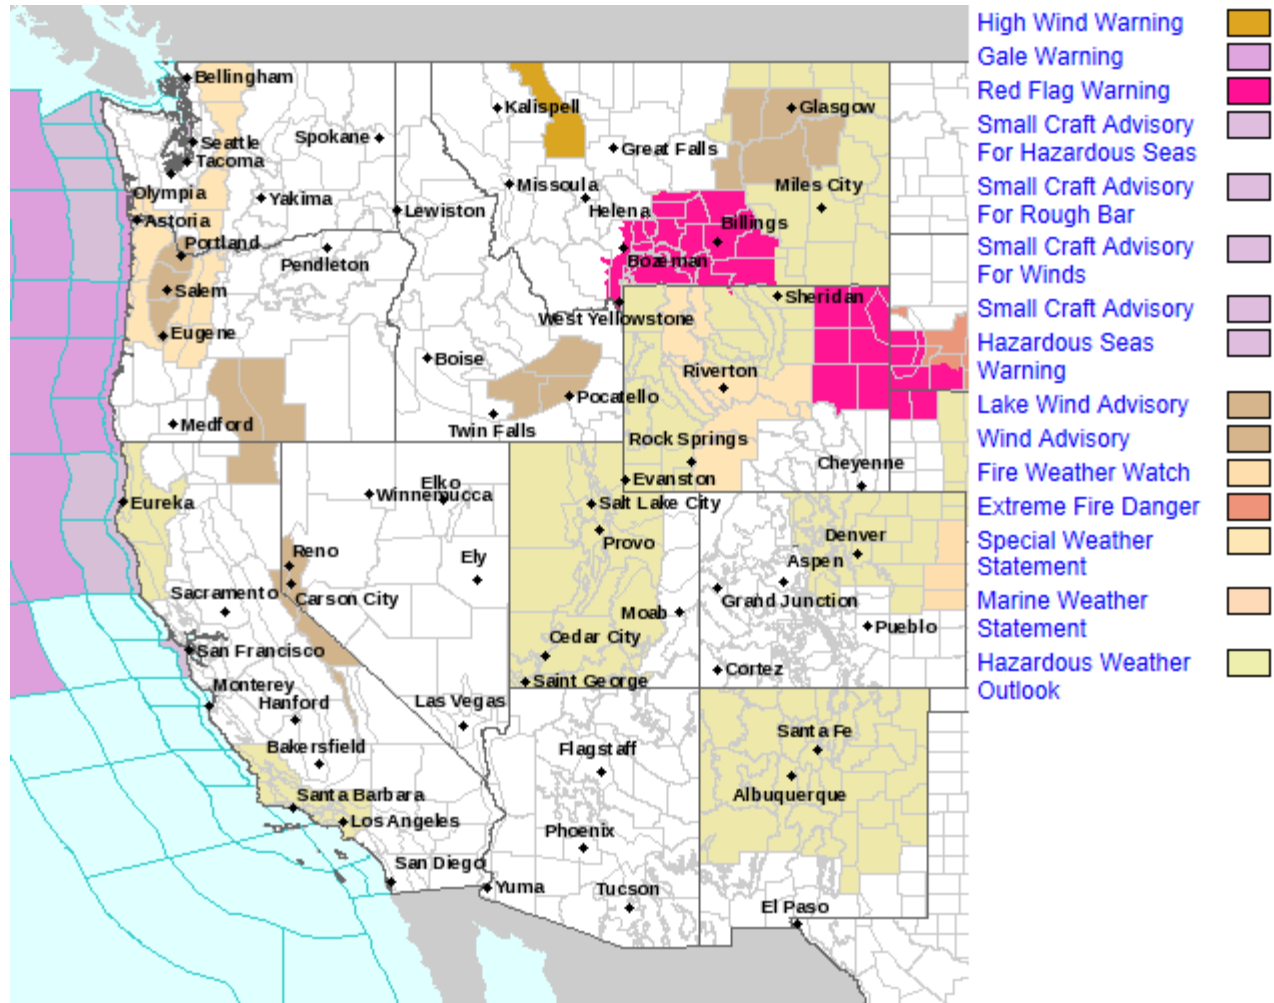

Extreme Southwestern California Including Orange, San Diego, Western Riverside and Southwestern San Bernardino Counties:

A low pressure system moving inland along the West Coast today will bring cooling, a deeper marine layer, and gusty west winds to the mountains and deserts. Slightly below average high temperatures will continue into Saturday along with the deeper marine layer. For Sunday and Monday, weak high pressure aloft will bring slight warming and a little shallower marine layer.

Southeast California Weather:

Dry conditions are expected into early next week. Thick high clouds can be expected mainly today and Friday otherwise skies will be mostly clear. Expect high temperatures to be a little bit cooler today with little change thereafter.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Recovery Activities

- On 10/01/14, the U.S. Small Business Administration (SBA) approved a disaster declaration making SBA assistance available in the primary County of Siskiyou and the contiguous counties of Del Norte, Humboldt, Modoc, Shasta, and Trinity, making low-interest federal disaster loans available to homeowners, renters, businesses of all sizes and private nonprofit organizations whose property was damaged or destroyed by the Boles Fire. In addition, a Disaster Loan Outreach Center opened Wednesday, 10/01/14, at 1200 hours, located at the College of the Siskiyou's Life Science Building 3, Room LS-1, 800 College Avenue, Weed, California 96094, Mondays – Fridays, 0900 – 1800 hours (Closed 10/13/14 for Columbus Day). Notification letters have been distributed.
- On 10/06/14, the Governor issued Executive Order (EO) B-27-14, which provides CDAA, and debris removal assistance, including the suspension of rules and regulations impacting debris removal. [The EO also provides the ability for nonprofit organizations to seek reimbursement for extraordinary activities through the State Private Nonprofit Organizations Assistance Program.](#)
- Non-food items have transitioned from the Salvation Army to a collaboration of four non-profit agencies that will be involved in the distribution of items such as baby clothes, diapers, clothing, etc.
- The Cal OES VAL continues to coordinate and participate in Long Term Recovery [Group \(LTRG\)](#) meetings with NGO, Faith Based, and local agencies. Shasta Community Foundation was identified as a fiscal agent for the group. Individuals needing assistance should be directed to the [Family & Community Resource Center of Weed](#) located at 260 Main Street, Weed. Funding organizations will [assist with unmet needs](#) through the case management [process](#). The VAL will continue to provide guidance to the LTRG group.
- The College of the Siskiyou's website contains a Fire Resource List of various local agencies offering goods and services. The document can be found at <http://www.siskiyous.edu/humanresources/documents/fireresourcelist.pdf>.
- Food donations are being accepted at 310 Boles Street.
- On 10/02/14, Cal OES Recovery and City staff inspected the City's water system to determine a full Scope of Work, which will be presented, along with the construction contract, to the City Council for approval on 10/09/14.
- Only one family has expressed interest in the temporary sheltering program; the City and family are reviewing the options with no commitment from either side yet.

RECOVERY ACTIVITIES

Boles Incident Vegetation Fire- City of Weed, Siskiyou County

Cal Recycle reports:

Air monitoring activities continue in the work area and surrounding community.

3,447.74 total tons of debris have been removed as of day 10 of operations (86.41 tons of metal delivered for recycling; 1,820.37 tons of concrete delivered for recycling; and 3,074.30 tons of debris, ash and soil delivered for disposal)

The Numbers as of Day 10

- 131 Sites registered for the removal project (Right-of-Entry, includes library, community center and 2 churches).
- 10 Sites denied entry.
- 95 Sites documented.
- 111 Asbestos surveys completed.
- 52 Sites with asbestos containing material.
- 31 Sites cleared of asbestos containing material.
- 25 Debris removal completed.
- 0 Sites sampled.
- 0 Sample results approved.
- 0 Erosion control completed.
- 0 Approved by City of Weed as ready for a building permit.

Cal OES Deployments

- Two (2) Cal OES Recovery staff are assigned.

RECOVERY ACTIVITIES

Magnitude 6.0 Earthquake, American Canyon, Napa County

Recovery Activities

- Based on a request for additional IA information for the major disaster declaration request, IA teams conducted PDAs 09/08/14 through 09/12/14 in Napa County, the City of Vallejo, and Solano County IA PDA teams conducted additional PDAs 09/17/14 through 09/19/14 finalizing PDAs in Napa County. The Presidential Declaration request letter along with supplement information was forwarded to FEMA for consideration.
- The deadline for potential applicants to submit the Request for Public Assistance to be considered for reimbursement for this event is 10/24/14. Fifty-four (54) RPAs have been received to date. Eighteen (18) kick off meetings have been completed and eight (8) kick-off meetings have been scheduled for this week and next week.
- The Napa Long Term Recovery Committee (LTRC) is in the process of forming its leadership, establishing policies and procedures, and identifying a Mission statement. A follow up meeting is pending.
- Cal OES IA Voluntary Agency Liaison (VAL) continues NGO coordination in Solano County. Due to the absence of local faith based and other organizations that may have resources, Solano VOAD will reach out to expand the engagement of additional nonprofit and faith based partners. Once the organizations are identified, a follow up meeting will be held in hopes of identifying key leaders interested in forming a LTR committee.
- Local Assistance Center (LAC): County and City of Napa: LAC opened on 09/08/14 at 301 1st Street, Napa (corner of 1st Street and Silverado Trail). The LAC is open until further notice.
- A joint area field office located at the McKinley Building, 180 California Drive, Veterans Home of California, Yountville, 94599 opened 10/03/2014.

CAL OES 2014 DROUGHT

Cal EOC Incident – 2014 Drought

- The SOC is activated at Level 2 in support of the Drought State of Emergency Monday through Friday, from 0800-1700 hours.
- The Inland REOC is activated at Level 2 Monday through Friday, from 0800-1700 hours, or as needed.
- The Southern REOC is activated at Level 1 Monday through Friday, from 0800-1700 hours.
- The Santa Barbara County OA EOC is activated at Level 2 to be handled by the duty officer for the purpose of monitoring activities and gaining situational awareness. The operational period is Monday through Friday, from 0800-1700 hours.
- The Governor issued an Executive Order on 09/19/14, to streamline relief efforts for families with drinking water shortages due to drought. Specifically, through the California Disaster Assistance Act, to provide temporary water supplies to households without water for drinking and/or sanitation purposes.
- Provided CDAA 2014 Drought Fact Sheet and Frequently Asked Questions to Regions for reference and distribution.
- A conference call is being scheduled, for Cal OES, DWR, SWRCB and Tulare County to discuss drought assistance programs.
- Recovery staff will be participating at the Southern Region MARAC meeting in Temecula on 10/23/14, to discuss Governor's EO on the drought.

New Proclamations

- Tulare County Drought Proclamation reaffirmation received 10-14-2014
